Next week, we will discuss seasons. We will talk about what happens to the trees during the different seasons, determine what season is our favorite, and create our favorite season artwork.

Ms. Kathy's class will hold their annual bake sale on Thursday September 7th at 3pm, everyone is welcome to buy some sweet treats! All proceeds will go to Green Earth.

Thursday September 7th is also our Ice Cream Social, followed by the Corporation meeting. All families are welcome and encouraged to attend. It begins at 5:30, on the playground. This is a great opportunity to meet other CNS families, teachers and staff. All teachers will share what their plans are for the school year.

We will join the whole school on a field trip to the Butterfly Roundup at Crab Orchard Visitor Center on Friday September 8th. They will teach the students how to safely catch the butterflies, give a short lesson, followed by going to the field to catch and tag butterflies to track! We will take our snacks and water bottles.
We are in need of drivers! If you are able to drive, please let me know. We will leave CNS at 8:45. Please make sure you have a copy of your license and insurance card on file with the office. Permission slips are due by September 6th.
