Weekly Theme: Bunnies

Pre-Primer Sight Word: Two

Focus Wall:

Letter: Yy

Number: 1-20 Review

Next week we will learn all about Bunnies! We will create peep bunny art, bunny houses out of toothpicks/marshmallows for STEM, and work on a build your own bunny activity.

We will also enjoy a visit from Eleanor's new pet bunny, Fluffy!

CNS will host an Egg Hunt for our students on Thursday March 28th at 11am. Each class will have their own designated eggs to find, and will be provided with age appropriate prizes inside of the eggs!

We are still in need of some help cleaning our back playspace.

-Clean out sandbox

We would like to create a construction truck/gravel pit in the raised flower bed by the deck. We will also need to get that clear of leaves so that gravel can be added. If anyone knows of a place who would be willing to donate to our gravel pit please let me know!

I would really like to have this space clean and ready for everyday use by next week.

Big shoutout to Dyshyn who cleaned all the water tables, trucks, big boat and picnic tables! WE APPRECIATE YOU!

Conferences are coming up quickly! I have attached our Conference Sign-up sheet.

Please sign-up for a time that works best for you. If you are in need of an additional time not provided, please let me know and we can arrange another time to meet.

If you are interested in speaking to Ms. Liz concerning Spanish, please let her know so that she can arrange a time to be here. elizabeth@carbondalenewschool.com
