

## Service Opportunity Survey

Family Name: \_\_\_\_\_

Carbondale New School strives to create a unique and excellent learning environment for families. **Each family is required to complete 45 service hours by May 31. Service hours are to be work in 15-hour increments per trimester.** If more than 15 hours are worked in a trimester, they carry forward to the next trimester. Please help us find ways to plug you into the CNS community by utilizing your unique talents and interests. If you are interested in assisting with something not on this list just let us know.

Each family is encouraged to join one committee of their choosing.
