Carbondale New School is a progressive, independent, not-for-profit private school for students Pre-K-8th grade. At the New School, we understand that students have a variety of learning styles and children's individual personalities are cultivated and respected. Children are allowed to develop at their own pace, as education is not a one-size-fits-all process.

Locally Grown is Carbondale New School's single biggest annual fundraiser. We have food, drinks, games and art activities for kids, and free music. Please consider being a sponsor. Donations are tax exempt and can be made in 2016. For more information please call us at (618) 457-4765.
