

SUMMER PROGRAMS

Come explore, discover and create this summer at
Carbondale New School!

Dates	Ages 4-6 years (9am-Noon)	Ages 7-12 years (1-4pm)	Ages 7-12 years (9am-Noon)
June 6 th -10 th	<p>¡VAMOS A JUGAR! Let's play – in Spanish! Campers will explore and interact with the Spanish language through stories, songs, games, and more in this exciting week of language learning.</p>	<p>EXPLORACIÓN CULTURAL Pack your bags and get ready for an adventure! We will be “travelling” to various Spanish-speaking countries to learn about their culture and how they live. Get ready to learn Spanish in a unique way!</p>	Not offered
June 13 th -17 th	<p>EXPLORE OUR WORLD Campers will experience a hands-on introduction to the world around them. We will explore how living things grow and how they interact with the environment.</p>	<p>ADVENTURE LAND Each day campers will find themselves on an adventure in a different biome. We will run through obstacle courses in the desert and seek treasure in the ocean. Let the adventure begin!</p>	Not offered
June 27 th - 1 st	<p>LITTLE SCIENTISTS Dive into an exciting world of science as we spend the week making crazy concoctions, getting our hands dirty, exploring the physics of fun and much more! Each day will have a different scientific focus that is sure to transform your child into a little scientist!</p>	<p>MAD SCIENTIST Pull up your sleeves and get ready to get messy as we explore physics and chemistry. Each day we will have a different experiment that we will need to explore to become Mad Scientists.</p>	Not offered
July 11 th -15 th	<p>WILD THING We will take a walk on the wild side as campers explore animals, birds, bugs and beasts for an out of this world adventure! We will even spend a “day in the life” of many of our favorite animals.</p>	<p>INTO THE WOODS For the kids that would rather be outdoors than in! Campers will explore the plants and animals right in their own backyards. We may even learn some survival skills along the way. Our week will close with a marshmallow roast over an open fire!</p>	<p>Summer School In these unique summer classes, campers will practice reading, writing and math at their own skill level.</p>
July 18 th -22 nd	<p>WATER! WATER! EVERYWHERE! Prepare to get wet! We will play a variety of games and activities that will involve getting wet as we explore the many secrets of water.</p>	<p>WILD ABOUT WATER During this wet and wild session we will discover the many secrets of water. We will examine the different states of water, learn about water habitats and play lots of water games.</p>	<p>Summer School In these unique summer classes, campers will practice reading, writing and math at their own skill level.</p>
