

November 27, 2016

Hello Everyone,

Thank you so much to everyone who worked so hard to make our Thanksgiving Feast such a lovely meal and party. I enjoyed seeing most of you and was sorry for those who were unable to attend because it was such a joyous occasion. I also want to thank all the people who came out to work on the playground clean-up. The playground has never looked better.

Students have been working on their portfolios and getting ready for student led parent conferences. I have included a schedule here, of the times left so please contact me to set up a time that is good for you. We will rehearse tomorrow and those who are new to the process will be given time to watch the video the class watched last year so they can actually see one happening at another school. I will not be available for conferences after the first few days in December. As you know my husband is scheduled for surgery and I will be gone to be with him. Please know that we are doing everything possible to make this minimally disruptive for the class and students. At the present time, Maryanne Felkins and Courtney Miller are scheduled to cover the classroom.

Students have voted to do Secret Santa again this year. They have already drawn names and they are not supposed to reveal who they are buying for to anyone except their parents. The maximum anyone can spend was voted on as \$20.00. Please note this is the maximum and less is perfectly acceptable. Gifts should be brought in on December 14 for the end of year party that afternoon. Students should also bring in a snack or treat to share at the party.

Work folders will be going out tomorrow for the final time this calendar year. Please return them by Friday or bring them to your conference if you have questions. There will not be a problem of the week in my math class until the second week in January.

I am looking forward to seeing you this week and next at conferences.

Best wishes,

Carla

Conference Schedule Times Still Available

Monday, November 28: 6:00

Tuesday, November 29: 5:00

Wednesday, November 30: 5:00

Thursday, December 1: 4:00, 5:00
