

## **Friday, October 20, 2017**

Our classroom is all decorated for our Halloween party now! The kids had a lot of fun decorating ghosts and spiders, painting spider webs, and playing with goopy slime. We have been working on lowercase letter recognition and number recognition. The students have been doing an amazing job with number recognition so we will be moving on to new numbers with most of the class.

Next week we will be talking about homes and habitats. We will discuss the arctic, the desert, the rainforest, and the ocean. three-year olds will continue with name writing and scissor skills, four-year olds will work with letter sounds and number order, and kindergarten will continue with retelling stories and subtraction. We are also **very** excited to go to the pumpkin patch next Thursday! If you have not already turned in your permission slip and/or money please do so as soon as possible!

### **Weekend Homework:**

This weekend we would like for you to practice counting -see how high you can count with your child! Also continue practicing putting on jackets, all of the students should be able to do this themselves.

### **Reminders:**

We have had a handful of students bringing candy for snack and lunch, please try to bring healthy snacks instead of sweets. Be sure that the extra change of clothes your child has is weather appropriate! We have also posted a sign-up sheet for our Oktoberfest party, please sign your name next to the item you would like to bring. The students will all change into their

costumes at school the day of the party, if anyone would like to come early to help everyone get ready we would love some extra hands!

This Saturday there will be a Building and Grounds meeting here at 1:00. If anyone would like to attend to help clean the playground you will receive service hours. Lastly, we are always looking for lunch recess volunteers. Let Mrs. Courtney know if you are available and willing to help out!

Happy Friday!

Miss Jennipher and Mrs. Melissa
