

## **Friday, October 27, 2017**

The highlight of the week was definitely our field trip to Bandy's Pumpkin Patch! Thank you to everyone that was able to come along and help out! We had such a great time and we will be sure to plan other field trips in the future.

Next week we will be learning the letter Ii and our theme will be ice. We will be making homemade ice cream to enjoy before our Oktoberfest party! We will continue working on number recognition and letter sounds. The students have all really improved on name recognition lately but we will continue to work on name writing and strengthening our fine motor skills.

### **Weekend Homework:**

This weekend we would like for you to practice putting on cold weather clothing. Hats, gloves/mittens, and coats are going to be a part of our daily routine soon!

### **Reminders:**

If anyone would like to volunteer their time to help change the students into costumes for the Oktoberfest party we would really appreciate it! They will begin changing into costumes at 1:00 and the whole school party begins at 1:30. The classroom party begins at 2:30 and everyone is welcome to attend both!

### **Upcoming Events**

10/31/17 - Oktoberfest

11/1/17 - Wacky Wednesday

11/2/17 - Picture Retakes

11/3/17 - No School

Have a great weekend!

Miss Jennipher and Mrs. Melissa
