

## **Friday, December 8, 2017**

We had a wonderful week learning different nursery rhymes! The students learned how to sign Twinkle Twinkle Little Star, we made a Humpty Dumpty craft, and continued practicing letter and number recognition. Kindergarten finished the unit on subtraction and will begin with different addition concepts when we return from break.

Next week is a very short week as we approach winter break! We will be decorating gingerbread houses and doing other winter crafts and activities. Wednesday will be our pajama party day! The students may wear pajamas to school and we will have hot cocoa and watch Frozen.

If anyone has any empty 2-liter soda bottles we are still looking for a few! We look forward to seeing those of you that have signed up for conferences next week!

### **Weekend Homework:**

With cold and flu season upon us we would like for everyone to practice proper hand washing practices!

### **Reminders:**

Thursday evening we will be having our winter program at the Varsity Theater downtown. We have been practicing every day and are excited to perform for everyone! If you do not plan on having your child attend please let us know so we may plan accordingly. The program begins at 6, so be sure your child is there by 5:50. We are making props for the students so they may wear whatever you would like! Invite all of your family and friends - the more the merrier!

Happy Friday!!

Miss Jennipher and Mrs. Melissa
