

Friday, March 2, 2018

Happy Friday! We had such a wonderful week learning about all different types of vegetables! We taste tested, painted with, measured, and regrew vegetables all week. Today we celebrated Read Across America Day by reading books with our buddies from Mrs. Carla's class. We also had a few parents read their favorite Dr. Seuss books to the class. Thank you to everyone who came by, the kids really enjoyed it!

Next week we will be learning the letter Ww and talking about different types of weather. We will find out why it rains, learn about rainbow order, and finish the week with a STEM project - the students will have to build a house that can withstand a hurricane. We are looking forward to seeing what ideas each group comes up with for this.

Weekend Homework:

We have been learning to count by 5 this week, practice at home this weekend!

Reminders:

We will be having a book sale after school on March 22nd and 23rd. If you have any gently used books, board games, or puzzles that you would be willing to donate we would greatly appreciate it! We are raising money to buy a shed for our building so we can better utilize the space in our classroom.

Next week will be spirit week!

Monday - Mismatched Monday

Tuesday - Tie-dye Tuesday

Wednesday - Wild animal Wednesday

Thursday - Throwback Thursday (dress up from your favorite decade)

Friday - Formal Friday

We will be having a Talent Show at 1:30 on Friday, March 9. We have a few students from our class signed up already, encourage your child to sign up if they have a talent to share with the school!

Have a great weekend!

Miss Jennipher and Mrs. Melissa
