

Friday, April 6, 2018

We have officially wrapped up all of our letter of the week activities! It was a lot of fun learning about all of the animals we can see at the zoo this week. The students worked on patterns, colors, counting, and letter sounds.

Next week we will be reviewing our upper and lowercase letters, number recognition, counting, and letter sounds in order to prepare for conferences on Thursday and Friday.

We are looking forward to the Southern Illinois Symphony at Shryock on April 10th! The symphony begins at 10:00 so we will be leaving the school at 9:15 in order to have plenty of time to find parking. Please leave a carseat for your child in our classroom Tuesday morning.

We are going to be starting a garden behind our building! We are looking for donations of potting soil, top soil, and compost.

Weekend Homework:

Practice counting by 2, 5, and 10!

Reminders:

If you are available to volunteer to work at Locally Grown on Saturday, April 21st we are still in need of volunteers! There is a sign up sheet downstairs in the cafeteria.

We are planning a spring cleaning day for Saturday, May 5th in order to get ready for open house! We will need help deep cleaning our classroom as well as the main building and the playground. If you would like to donate your time to help clean but are not available that day please let us know so we can find another time. These are both great ways to earn service hours!

Have an amazing weekend!

Miss Jennipher and Mrs. Melissa
