A note from Miss Jennipher and Mrs. Melissa:

I cannot believe this year is already over! I want to thank you all for making my first year at CNS so wonderful. I have really enjoyed getting to know you and having the privilege to work with your kids every day. We have had an amazing group this year and I am so proud of all they have accomplished. I hope you all have a wonderful summer and are able to spend time with your awesome kiddos. I'm excited to see you all in the fall!

Miss Jennipher

Wow, this year has flown by! Thank you all for sharing your children with me and allowing me to spend my day teaching and caring for them. It has been a joy watching them explore the classroom, make friends, and grow into amazing little guys and gals. Man did they grow! They are all kind, caring, and loving individuals.

I'd like to thank those of you for the gifts and kind words I have received throughout the year, they are greatly appreciated. Most of you will be back with us next year, for those of you who won't be joining us I wish you all the best and hope you keep in touch. I would love updates on how "our" little one is doing.

I look forward to seeing everyone next year! Have a great summer! Shine bright and be kind!

Mrs. Melissa
