Our fire safety unit has come to an end. We were able to finish up our activities from last week as well as do a few others. We continued practicing our cutting and pasting skills and number order by making a puzzle! Most of the kids did really well with this.

Weekly Focus

Letter - Hh

Number - 8

Shape - Star

Color - Brown

Sight Words - did, with, she, went, that

Next week we will be talking about Autumn. We will be working in our journals, practicing letter sounds, and working on counting and graphing. We also have our pumpkin patch field trip on Thursday! We are very excited! If you are not chaperoning, please leave a car seat for your child that morning. I have not received money from most of you, remember it is \$4 per child. Please have that turned in by Thursday.

Next Week's Focus
