Happy November! This week we talked about Veteran's day. We spent some time writing thank you notes to veterans, working on our fine motor skills by completing an American flag craft, practiced our counting and sorting skills, and did a STEM activity of making towers. We've begun practicing for the winter program this week, we're excited to showcase our talents in December.

Next week we will be talking about all things Thanksgiving. We have scheduled a visit from Cedarhurst on Tuesday, November 13th in the morning, they will come to our classroom and do an art project with the kids. We will also be working on letter matching, patterns, and writing about what we are thankful for. We have a Thanksgiving feast at the school on Tuesday, November 20th beginning at 11:00, this is also a half day with no childcare. Invite your friends and family to come by and have a meal at the school! It will be potluck style and a food sign up sheet will be put up in the foyer if you are interested in bringing a dish, our class will be making pumpkin bars. Before the feast we are inviting parents to come read with their children in the classroom beginning at 10:30, everyone is welcome!
