Happy Friday! We have had a busy week learning about hibernation. Take some time to ask your child what animals hibernate, you might be surprised at the answers! We worked on our cutting and pasting skills, read about what hibernation is, and worked on subtraction skills. We've been working hard on our winter program performances as well!

Weekly Focus

Letter - Ll

Number - 12

Shape - Cube

Next week we will be doing some winter activities and talking about gingerbread! We will be doing a STEM project of making gingerbread houses, working on writing, and practicing shape and number recognition.

We will have another all school field trip to Cedarhurst in Mt. Vernon on Tuesday, December 4th. We will be seeing a 'Math in Magic' show. If you are able to chaperone we would love to have you! Please be sure to provide your child with a throw away lunch and a water bottle that day so we don't have to worry about keeping track of lunchboxes.

We are planning a 'Parents Night Out' on December 7th. This will be in the evening and is a time for parents to catch up on holiday shopping, go to dinner, or just have some time to themselves. There is still room to sign up if you are interested!

Next Saturday, December 8th, we will be having a fundraiser at Barnes and Noble. The staff will be reading aloud to kids starting at 9:30, be sure to stop by to support our school!

Conferences will be on Wednesday, December 19th. There is a sign up sheet in the foyer of our building. We do not have school the 19th and 20th and if you do not sign up for a conference your child will be considered absent for both days.

The laundry schedule will be as follows:

-November/December: Roberts Family

- January: Watters-Sandrock Family

Enjoy your weekend! Be sure to check out the Lights Fantastic Parade tomorrow!
Ms. Jennipher and Ms. Melissa

Wish List Items: matchbox cars, dish soap, dress up clothes, baby wipes
