Happy Friday! We have had a week filled with fun Valentine activities! The kids made cards for someone they love while practicing scissor skills, we also practiced addition skills with a game, and we were able to get some energy out this morning while doing a letter matching race.

**Rhyme** - pig

**Focus Question** - What does it mean to be kind?

Next week we will continue our valentine activities since it will be a short week. Kate and Jayme have been planning a party for our class on Thursday, I have a feeling it is going to be a lot of fun! If you are interested in bringing in a snack and/or facilitating an activity please see the sign-up sheet in the foyer of our classroom. During the party, the students will have a chance to pass out valentines to friends. It is helpful to everyone involved if you do not put individual names on the valentines. If your child chooses to bring in valentines to pass out please bring one for every child in the class. We have 15 students.
