Happy Friday! We had a fun week talking about different habitats. We ended the week writing in our journals about what habitat we would like to live in, we got some pretty clever responses! We chose animals and painted a habitat for them, worked on graphing and counting skills, and did a fun watercolor project.

Parent-teacher conferences are coming up on Thursday, April 11th. I have placed a sign-up sheet in our foyer and you can sign up for a time that works best for you. If you do not see a time that would work please let me know as soon as possible so we can make other arrangements.

Scholastic orders are due Monday, April 8th. Please be sure you place your order online by then. If you don't see anything you would like you can check out our classroom wish list!

Thursday, April 18th we will be having an all school planting day from 11-12. If you would like to come to spend time with the kids and help add some plants to our playground we would love to have you!

Enjoy your weekend!

Ms. Jennipher and Ms. Melissa
