

**Friday, May 3, 2019**

Our last full week has come to an end, the school year is quickly winding down! We learned about what plants need in order to grow and talked about the life cycle of a plant this week. We ended the week by planting our vegetable garden out back. The kids were very excited about it!

**Focus Question** - What do plants need in order to grow?

Next week we will be learning the 5 senses. We will do a couple taste and smell tests and have some fun making different types of slime. We will also be busy getting ready for open house. We will be cleaning and compiling art and writing projects to have on display.

**Focus Question** - Can you name all five senses?

Open House will be Thursday, May 9th from 5-7 p.m. I hope you all can stop by and see the work we will have displayed. This is a wonderful opportunity to meet new and prospective families as well!

Enjoy your weekend!

Ms. Jennipher and Ms. Melissa
