We finished up our unit on autumn this week. We took our first trip out to the Arboretum to collect leaves. We then used our finds to make silly nature faces! They turned out so cool! We practiced our counting and fine motor skills by making beaded corn cobs. Kindergarten continued chapter 3 of GoMath and wrote a poem about Autumn.

Weekly Focus

Letter - Gg

Number - 7

Shape - Hexagon

Color - Brown

Focus Question - What are the signs of autumn?

Next week we will be talking about bats and spiders. We will practice number recognition and rhyming words. We also have a bat STEM activity planned and we will make some spider slime. We are very excited for our trip to Breezy Hill on Tuesday! I have sent an email of helpful tips for field trips at CNS. Next Thursday will be picture day! Our class will be taking pictures in the morning at 9:00.

Weekly Focus

Letter - Hh

Number - 8

Shape - Octagon

Color - White

Focus Question - Why does a spider spin a web?

Since the cooler weather has been approaching please work with your child on putting on his/her jacket!

If you have not turned in the money for the Breezy Hill field trip please send it in soon. It is \$5 for each child and \$1 for each adult if you are chaperoning.

Enjoy your weekend!

Ms. Jennipher and Ms. Melissa
