

Friday, November 15, 2019

This week we started talking about Thanksgiving. We wrote in our journals what we are thankful for, read about how children helped long ago and how we can help our families now, and worked on letter and letter-sound recognition with a fun turkey game! Kindergarten has been working hard at solving word problems in math. We have been taking our time with it to be sure they fully understand the concept before we move on. We are planning to have a test next week.

Focus Question - What are you thankful for?

Next week we will continue talking about Thanksgiving. We have some fun crafts to make and we will do a whole class project to discuss what we are all thankful for. We are very excited about our field trip to the Carson Center on Monday! We will be leaving the school at 9:30 and will return around 2:30.

The Thanksgiving feast will be on Tuesday, November 26th at 11. If you haven't already, please return the slip indicating how many family members will be attending so we can prepare accordingly. Beginning at 10:30 you may come into the classroom and read with your child. The feast will begin at 11:00 in the main building.

Focus Question - What are you thankful for?

Our class is hosting a pajama drive! Please donate a new pair of pajamas so they can go to a child in need. There is a donation box in the foyer, you can drop them off anytime until November 26th.

Grades 1-3 is collecting food for the Good Samaritan. Please donate food items for this by November 25th.

Please work with your children on putting on jackets!

We have been working on our winter program! The kids are doing well with our classroom songs. For our all-school song, we will be singing Colors of the Wind from Pocahontas. Please work with your child at home!

Enjoy your weekend

Ms. Jennipher and Ms. Melissa
