

## **Friday, January 10, 2020**

We had a wonderful first week back from break! It seems that we just got back into our routine...just in time for the weekend! We learned all about polar bears this week. We made a polar bear craft and practiced patterns, all while practicing scissor skills. Kindergarten started chapter 5 of GoMath - addition! They have been enjoying it and are doing really well. They also worked on writing skills and wrote a polar bear fact.

Scholastic orders are due on Monday, January 13th. Please have your order entered online before then. We also have a classroom wishlist if you would like to donate a book to the class!

We are looking for parent volunteers to plan an activity and/or craft for our Valentine's day party! If you are interested please let us know.

Enjoy your weekend!
