

Friday, March 6, 2020

We had a great time talking about Dr. Seuss this week! We tasted green eggs, made up silly characters like Dr. Seuss did, and gave out awards for our favorite books. We had a wonderful time on the gymnastics field trip! The kids were all very excited about it. Kindergarten took a test on chapter 7 of GoMath. They will begin chapter 8 - Represent, Count, and Write 20 and Beyond - when we return from Spring Break.

Weekly Focus

Letter - Vv

Number - Making 6

Shape - Esfera (sphere)

Rhyme - Sack

When we return from break we will be learning about St. Patrick's Day! We will review the colors of the rainbow and talk about what we would keep at the end of a rainbow. Kindergarten will do a STEM activity and make a leprechaun trap.
