History: This week they will be learning about Puritans and the Salem Witch Trials. For the Salem Witch Trials, they will be doing an Among Us-type of game learning about the mindset of people at that time.

Science: More animal adaptations. They will be exploring more about animal camouflage and do an activity to see if they can use coloring to camouflage their own chameleon from the other students.

STEM: Half hour of coding every day.

Fort Massac is having their Fort Massac School Day Program on Oct. 14. Since that is just the day after the Fire Dept. field trip, I was thinking maybe the 3rd-5th class could go to Fort Massac instead of the Fire Dept., as that might be more at their interest level. I would like input and opinions from parents though before I start making arrangements to cancel one field trip and schedule another one to Fort Massac.

The kids were on their best behavior for the St. Francis Field Trip and seemed to have a marvelous time! They really loved seeing all of the dogs and cats, especially the little kittens. Thank you to all of the parent volunteers that helped out!

Upcoming Schedule:

9/26: Tie Dye w/Ms. Nicki

10/4: Quatros Fundraiser

10/10: Fire Prevention Week

10/13: Field Trip to Fire Dept at 9am

10/20: Percy Jackson play field trip at Carson Center at 11:30.

11/14: Police Station Field Trip at 9am.

Wishlist: Scotch tape

Class Schedule

(FT)=Free time, contingent on behavior and whether work is all done

8:30-8:45- 3rd: Math 4th: Reading and Journal 5th: Reading and Journal
