General Information

This Scholastic Book order we received \$15 worth of free books and lots of points to purchase activities. Thank you for ordering books. Not only does it help our class but it helps your child love reading. Reading to your child is a beginning step in learning to read. Great job!

Please make sure you send in the Cedarhurst field trip form. I need to reserve seats for our classroom.

I need paper towel tubes for a project on Tuesday. Please have your child

bring in at least one tube by Tuesday October 4th.

Healthy eating is very important for learning. Sometimes sugar can bring us down. Try to keep this in mind when packing snacks and lunch. It's better to have fruit than a piece of candy or chocolate cake.

The beginning is the most
important part of the work.
