## **General Information**

We have 2 people signed up for conferences. Don't forget to sign up before they start filling up. Conferences are April 6<sup>th</sup> & 7<sup>th</sup>.

On Monday, April 3<sup>rd</sup> we are going to start exploring writing letters. I do this every year. I am asking parents to write a letter to their child. Make it simple. Here is an example:

Dear Braden,

How is school? I bet you are doing a great job. I am so happy to see all the things you are learning. Etc.

Love,

Mom and Dad

On Friday March 24<sup>th</sup> bucket homework was sent home for each child. Please make sure you help your child complete this and return it Monday, March 27<sup>th</sup>. We will share this.

We are starting the 3D art on Tuesday the 28<sup>th</sup>. I have one student that has brought in their shapes. Every year students have extra and share with each other. This is a fun and exciting experience for the children.

The mind is not a vessel to be filled,  
but a fire to be ignited.
