

Next week will be our first full week of school. I have noticed some very tired children. Only two students fell asleep during school. Help your child to be successful by providing healthy food and bedtime routines.

Reminder: Lunch boxes should go in the lunchroom before your child goes out on the playground in the morning. Backpacks are hung on a hook outside of the modular building. Students can bring the backpack in when the bell rings. Students should not be coming into an unmonitored classroom.

Thanks so much,
Kathy

We are in desperate need of parents to volunteer on the playground during snack (10-10:30) and lunch (12-1:00) and after school (3-4:00). If you are interested please contact Courtney in the office.
