

## Math

1st: Count on; Add doubles; Use doubles to add; Doubles +1/-1

2nd: Regroup ones and tens; Problem solving 3 digit subtraction; Regroup hundreds

3rd: Assessment; Begin multiplication; Count equal groups; Relate addition and multiplication; Skip count on a number line

Multiplication should be memorized. I would encourage you to purchase flashcards and practice starting with the ones. Only move to twos once ones are mastered.

## Language Arts

There will be no language arts unit. We will be working on our writing project for the next 7 days.

Chapter Book: *Island of the Blue Dolphins*

Project: Landforms

We will begin our dioramas.

General Information:

Thank you to everyone that helped make the bake sale a success. We made \$286.74 for our beloved cat, Scarlet. Once she gets her medical shots we will plan for her to come and visit.

I am still working on the field trip. We may have to wait until October. I would like it to be a little cooler outside. I will keep you posted.

Picture day will be Wednesday, September 27th. This will be individual pictures.

Calendar of Events:

September 27: Picture Day

October 4: Assembly/Wacky Wednesday

October 6: Noon dismissal

October 9: No School

October 11: Fire Drill with the Fire Department

October 31: Oktoberfest

Wish List:

Special thanks to all the parents that provided the class with all of the things on our wish list. You are greatly appreciated!
