General Information :

Remember that if your child is showing any symptoms that look like COVID, it is better to keep them home for a couple days. If you have any questions regarding this please feel free to contact me.

On October 9th I am facilitating a Love & Logic training. This is the tool we use to help shape student behaviors. It is also recommended as a tool for parents to use. This training is available for parents to attend. Please see the Friday office newsletter for more information.
