Stem Monday: Not starting this yet.

General Information :

Thank you for participating in the Ice Cream Social. It was so good to see parents and families back on the playground. I am looking forward to a fun and exciting year.

As we begin this school year, let's remember to be socially responsible as we continue to maneuver through this pandemic. If your child is feeling sniffly, achy, or just plain sick, please keep him/her at home. I will get everyone linked to Class Dojo so that I can send work home.

Masks are an important tool for protecting ourselves from any virus. Please keep extra masks in your child's backpack. It is common for children to need to change masks 2 or 3 times a day. If the mask gets wet, we will change it.

CNS has no visitors in the classroom for the first 3 weeks. This is to help students get comfortable in the classroom and focus on getting to know everyone and the routines. You can schedule to visit on or after September 2nd.

Check your email! On Wednesday, I sent an email to connect you with our Class DoJo. Please get connected. We only use DoJo if you are absent or remote learning.

REPEATED INFORMATION:

In this area, you will find information that is worth repeating.
