Project/Social Studies:

We spent the current week working on our bake sale. We talked about civic and personal responsibilities and helping out community. We explored St. Francis via website, made cookies, and prepared for the bake sale.

On Monday, we will continue talking about patriotism. We will look at the flag and make a door hanger. Then we will begin our section on maps. We will start by mapping the classroom, comparing photos to a map, and reviewing the legend.

Stem Monday:

We will make the patriotic door hanger.
