Project/Social Studies:

We will explore landforms, seasons, and climate. We explore different areas and what grows there. We will finish the week with exploring World Regions.

Stem Monday:

Germinating a Pumpkin

General Information :

Since we didn't have school on Monday, we will practice our tornado/shelter drill this week. Students will be in the basement along the exterior walls. This is a great time to practice these same drills at home. Safety comes from knowing what to do.

For Oktoberfest (October 29), students can come to school dressed in their costume. We will be outside doing activities and then inside for the classroom party. I have sent out the sign up sheet for classroom treats.

Thank you to ALL the parents that volunteered at the Pumpkin Patch Stay-Cation. We had so much fun! I was so happy to get it in today before the rain. I would say our field trip stay-cation was a success. Pictures will be posted on Facebook.
