Project/Social Studies:

We are starting our unit on family history. We will talk about what a family is and how families' lives have changed over time. We will talk about family history- the story of a person's life. Finally, we will talk about the family tree.

Stem Monday:

Building

General Information :

During this language arts unit, we will be talking a lot about different storms and weather. This is a great time to talk about safety at your house. Knowing what to do in an emergency is very important for children and adults.

Make sure you send winter appropriate clothing for the change of clothes ziplock that is kept in the bathroom. Students will need long pants and a long shirt. I will then send home any shorts or short sleeved shirts.

On Wednesday, I sent home the germinated pumpkin seeds. You can plant the entire pumpkin in the ground. Hopefully next year you have the start of a pumpkin patch.
