General Information :

The 100th day of school will be Friday, January 28th. It's hard to believe we are already there. We will start counting backwards after Friday. We will celebrate the day with a special treat and some fun activities. I will be sending out a separate email looking for donations for the special treat. Please remember to reply to all so we all know who is bringing what. Thank you!

Please make sure your child has gloves. Many students do not and have complained of very cold hands.

In case of bad weather, please watch channel 3 news (wsil-tv) or monitor them online. This is the standard for notifying families of school closures.
