At this month's board meeting it was decided that CNS would continue to require all staff, parents, and students to wear masks when on CNS grounds. This does include the parking lot when dropping off students and picking them up. Thank you for your cooperation in this matter.

The board approved for CNS to hold its annual talent show at the end of the year. If you have a talent that you would like to show CNS please let me know and start practicing. We will have the show in May.

The corporation meeting in April will be in-person. There will be no potluck this year.

Angie, from the Jackson County Health Department, will visit the class on Thursday to talk about recycling. We will complete a fun truffella tree activity.
