Chapter Book: *The Borrowers* by Mary Norton

Project/Social Studies:

Forms of Energy and Transforming Energy

Stem Monday:

No School

General Information :

Thank you to all the parents and students that participated in the student-led conferences. Don't forget to fill out your registration form for next year's enrollment.

The student's have had so much fun building ramps, creating junk art, and planning catapults. They are spending more time working together and helping each other. It's interesting to see the roles they take as leader or helper. They share knowledge and ideas with each other. This is such a great way for students to learn better communication skills.
