

1st & 2nd Grade Newsletter May 6, 2022

Thank you to all of the families that came to Open House. It was so nice to see all the artwork. Ms. Rocky did such a nice job displaying it. Art has always been something the class has looked forward to.

I hope you were able to visit the spanish room and see some of the work they have done. It's always fun to hear them talking in spanish. Thank you Ms. Liz!

It was also nice to see the work that the other students have been doing. They have learned so much. Thank you Ms. Misty and Ms. Melissa.

Thank you to all the families that provided food, snacks, cards, and words of kindness to all of us for staff appreciation week. You have been more than kind. Thank you!

Now, another year is coming to an end. We have 12 days of school left. As we finish our curriculum, I will be planning some fun things along the way.

Math: Go Math

Grade 1: Review Packets

Grade 2: Review Packets

Language Arts -

No more spelling tests. We will do some word games on the board.

Chapter Book: Charlotte's Web by E.B. White

Project/Social Studies: Light experiment, Exploring thermal and light energy, Thermal energy lab, Sound experiment, M&M experiment

Talent Show: Monday, May 23rd 1-3 PM

We will be hosting our annual talent show the last week of school. Students must sign up and record what they plan to do. Staff will approve or disapprove. We want to make sure it is appropriate. For example, we need to make sure words in songs are appropriate. The sign up sheet will be on the cafeteria door.

Families will be invited. The plan is to hold it outside so we will monitor weather and make adjustments as necessary.

Students will not be practicing this at school. They must practice at home and bring all necessary materials the day of the show. We do have a microphone and can make sure there is power outside if needed.

Calendar of Events:

May 18 Virtual Finance Meeting 6:30

May 20: No School

May 23: Talent Show

May 25: Last Day of School/Noon Dismissal

5:30 Board Meeting
