

Math: Go Math

Grade 1: Review Packets

Grade 2: Review Packets

Chapter Book: *Charlotte's Web*

General Information :

Please make sure you read this.

I have some special days planned for the remainder of the year.

Friday, May 12th will be art project day. They want to paint, cut, and glue. On Monday, May 16th, I will be making them breakfast in the morning. We will have pancakes, scrambled eggs, and bacon. Tuesday, May 17th, will be Show N Tell. Students can bring in something to share with the class. They need to be prepared to tell what it is, why they brought it, where it came from, what it does, etc. Wednesday, May 18th, we will be making and decorating cupcakes. Thursday, May 19th, will be bring your pet to school. I need to know who wants to bring a pet, what type of pet, and I need to know he/she is up-to-date on shots. I will then schedule a time for the pet to be brought in. I will be very particular about times because I do not want animals crossing paths. No school on Friday, May 20th. Monday, May 23rd, will be the talent show. You must sign up for the talent show. Tuesday, May 24th, we will clean out desks and classroom. Bring a larger bag to carry things home. Wednesday, May 25th, will be field day. We will be outside so dress appropriately and bring water! We will have pizza at 11:30.

REPEATED INFORMATION:

Calendar of Events:

May 20: No School

May 25: Last Day of School/Noon Dismissal
