

Dear Families,

We had such a great first full week of school. We have been working on learning our classroom routine, kindness, and learning more about our peers!

We have started our classroom kindness challenge. We have an unkind bucket and a kind bucket. When we hear or see a student doing something kind for another, they will be able to move a kindness ball. Once all of the kindness balls are moved from unkind to kind, we will have a classroom ice cream party, complete with kindness sprinkles!

Next week we begin our normal classroom centers.
