

Dear Families,

August 27, 2021

This has been such a wonderful week. We have a great group of students! I am really enjoying getting to know each and every one of them.

They have all been working hard on learning our classroom routine and expectations. We are filling up our kindness bucket and looking forward to our special snack!

This week was hot, so we were inside for recess more than we would like to be, but we made the best of it by having dance parties and playing games!

Quick reminder- if you are dropping your child off *before 8:30*, you are welcome to hang their bag in the classroom, they are then welcome to play on the playground until it is time to line up. If you are dropping off as the class is lining up, please have your child line up and walk in with their class. Having parents enter the classroom during this transition time causes concern for other students.

We will be starting our surprise reader program on Friday, September 10th. If you are interested in bringing in your favorite book to share with our class, please let me know and I will get you on the schedule. Surprise readers are welcome on Friday afternoons at 2:30.
