

Dear Families,

September 10, 2021

We had a great week learning about apples. Our apple taste test was a delicious hit! Red apples seem to be our favorite!

I want to thank everyone for hanging in this week, and thank you to our remote families for hopping on zoom for our morning meeting, it was nice to be able to start our day off all together! I'm looking forward to having all of our friends back in the classroom!

I have moved the Kindergarten cubbies to the right side of the classroom off of the foyer, Pre-K will remain on the left side. This will hopefully help us maintain extra space between us when changing shoes and lining up.
