

# WEEKLY NEWSLETTER

Week of: 8-21-2023

We had a great full week of school! We are settling in, learning our routine, classroom expectations, and continuing to make new friends.

We were able to assess the students on their scissor skills, pencil grip, colors, name recognition and writing..and I must say, I was impressed!

Next week, we will focus on Friendship and ways to be a Bucket Filler.

We will discuss ways to be kind, what it means to be unkind, and how that makes us feel. We will dive into some emotions, and how we can manage our emotions while at school, as well as how we can express ourselves and our needs to our friends in a kind, calm manner.

A few reminders. Please make sure to send a water bottle with your child everyday. We use them outside to keep us hydrated at recess, as well as for snack and lunch time. Rain boots are highly recommended for the playground. With all of the rain we have been having lately, the playground has been a muddy puddle mess of fun!
