

# WEEKLY NEWSLETTER

Week of: 1/29/2024

**Weekly Theme:** Dinosaurs Week #1

**Pre-Primer Sight Word:** Jump

**Focus Wall:**

**Letter:** Ss

**Number:** 19

Over the years, I have learned that we need 2 weeks for all of our Dinosaur adventures. So for week #1, we will work with dinosaur patterns, sequencing and labeling a dinosaur. We will discuss dinosaur vocabulary words, what our favorite dinosaur is (and why), and if we would want to live amongst the dinosaurs. We will also read *countless* books about Dinosaurs!

**A few upcoming dates:**

**February 13th-** We will be visiting The Landing to share Valentine's Day treats and cards. We are in need of Valentines and special treats. (Chocolates, hostess cakes, sandwich crackers, small stuffed animals, adult coloring books and colored pencils, word searches, crossword books...etc). I am in need of a few drivers/chaperones to come along.

Thank you!

**February 20th-** We will be visiting the Rend Lake Visitor Center to learn about Beaver dams, and make some of our own. They will be provided with a story, a craft and hands on experience. I am also in need of drivers for this trip as well. Thank you!  
Permission slips are in folders.

We have started to have no rest Friday, as long as we have rested nicely throughout the week. This allows us to enjoy a short show that follows our weekly theme(or disney sing along) during rest time. We typically lay on the rug and rest our bodies, enjoy a show and some calm time all together before we go home for the weekend.

If you would prefer for your child to sleep during this time, please let me know, and I will provide them a space in the other room.
