Dear Parents:

Hola! My name is Elizabeth R. Null, and I am your child's Spanish Instructor. Please allow me to take a brief moment to introduce myself. I am originally from Veracruz, Mexico. After completing college, I moved to the U.S. and have lived in Southern Illinois for eleven years. I am married and have one daughter, Mali, who is eight years old, and two stepchildren. This is my seventh year teaching Spanish.

I am very excited about the Spanish class. I teach in a way that is fun and entertaining for the students, while providing a basic understanding and vocabulary of the Spanish language. Every class, your child will be given a few handouts that you can use at home to keep him interested and give him encouragement. Since we meet only three hours per week, it is important to review lessons at home during the week. This will ensure your child is learning and keep him/her interested. I recommend this web site for practice: onlinefreespanish.com. Kids love it! Learning Spanish has never been more important, and has never been more fun!

Please feel free to contact me if you have any questions or concerns. *Adios!*
